

Review: Previous reviewer Claudio Carvalho gave a much better recap of the film's plot details than I could. What I recall mostly is that it was just so beautiful, in every sense - emotionally, visually, editorially - just gorgeous.

If you like movies that are wonderful to look at, and also have emotional content to which that beauty is relevant, I think you will be glad to have seen this extraordinary and unusual work of art.

On a scale of 1 to 10, I'd give it about an 8.75. The only reason I shy away from 9 is that it is a mood piece. If you are in the mood for a really artistic, very romantic film, then it's a 10. I definitely think it's a must-see, but none of us can be in that mood all the time, so, overall, 8.75.

Review: Technically I'am a Van Damme Fan, or I was. this movie is so bad that I hated myself for wasting those 90 minutes. Do not let the name Isaac Florentine (Undisputed II) fool you, I had big hopes for this one, depending on what I saw in (Undisputed II), man.. was I wrong ??! all action fans wanted a big comeback for the classic action hero, but i guess we wont be able to see that soon, as our hero keep coming with those (going -to-a-border - far-away-town-and -kill -the-bad-guys- than-comeback- home) movies I mean for God's sake, we are in 2008, and they insist on doing those disappointing movies on every level. Why ??!!! Do your self a favor, skip it.. seriously.
